### EXAMINER'S AMENDMENT

1. This application is in condition for allowance except for the presence of claims 16-21 to an invention non-elected with traverse in the reply filed on 01/20/05. Applicant is given ONE MONTH or THIRTY DAYS from the date of this letter, whichever is longer, to cancel the noted claims or take other appropriate action (37 CFR 1.144). Failure to take action during this period will be treated as authorization to cancel the noted claims by Examiner's Amendment and pass the case to issue. Extensions of time under 37 CFR 1.136(a) will not be permitted since this application will be passed to issue.

The prosecution of this case is closed except for consideration of the above matter.

At this time Examiner canceled the non-elected claims 16-21 by the following amendment, but Applicant has an option to traverse as stated above.

1. An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it MUST be submitted no later than the payment of the issue fee.

The application has been amended as follows: claims 16-21 are canceled as non-elected claims.

2. The following changes to the drawings have been approved by the examiner and agreed upon by applicant: the electronic component to be shown as claimed element. In order to avoid abandonment of the application, applicant must make these above agreed upon drawing changes.

### REASONS FOR ALLOWANCE

3. The following is an examiner's statement of reasons for allowance: the prior art discloses heat sinks of variable density but fails to disclose the heat sink constructed of graphite foam of various density in combination with other claimed elements.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
